

# Mainstage CHICAGO

400 N Racine Ave, 107, Chicago IL

✦ YOUR HOME FOR VIRTUAL EVENTS. ✦

# What is Mainstage Chicago?

Mainstage Chicago is perfectly situated to deliver pixel-perfect virtual and hybrid events. Pairing the infinite scalability of cloud-based production with the cinematic flexibility of an immersive cyclorama studio, this all in one Hybrid Studio Space is conveniently located in Chicago's West Loop.

24' x 24' stage with a seamless cyclorama and grid-mounted RGB LED lighting.

Hybrid Control Room:  
Run multiple shows simultaneously.

Remote Production Ready:  
Integrate your at-home studio with our broadcast facility in real time.

Secure. Reliable. Internet.

# An Expandable Control Room

Built on the principles of cloud infrastructure, our control room can expand infinitely to meet your event's needs. Whether it's a single track webinar or a multi-track, multi-day conference, we have the capacity.

Bonded fiber Internet with 4G LTE backup means our network doesn't go down, ever.

Multiple streaming stations that can divide or unite depending on your show's complexity.

Every station can be controlled remotely, enabling us to tap into our global network of technicians.

# An Immersive Cyclorama Studio

Mainstage's 24' x 24' x 12' cyclorama studio is the perfect stage for your next virtual event. Lighting is programmable with access to the full RGB spectrum- and since it's all LED, you can shoot all day without worrying about it getting too hot.

Fully programmable RGB lighting can create dynamic looks that match your brand standards down to the hexcode.

A 4K multi-cam setup allows for flexible programming such as keynotes, panels, or entertainment.

Bring in remote guests from anywhere in the world, and interact with them in real-time as if they were right there.
